

RStLYC WET FEET PROGRAM

New to Junior Sailing in 2010!!

Wet Feet is a new fun program at the RStLYC aimed at young children who want to learn about sailing and water safety. The curriculum consists of lifejacket safety and how to balance, sit and move in a small sailboat. Additional activities include arts and crafts, plus swimming. The goal of this program is to get children comfortable in small boats and prepare them to move on to our Learn to Sail program. Kids will be placed two per boat.

Sessions of 1 week for \$250 or 2 weeks for \$400.
