Dear Parent or Guardian,

This year, as part of our Junior Sailing Program, with your agreement, we are offering your child(ren), who is (are) registered in our program, the possibility to take advantage of being a temporary junior member of our Club.

It would be to your advantage to register your child. The status of temporary junior member gives access to our pool and assigns an individual membership account, which permits signing privileges at our snack bar, for lunch or after junior sailing. The Club would process charges at the end of the period as specified on the enclosed temporary junior membership application form.

For children between the ages of 8 and 17, it is also possible to consider a seasonal junior membership, valid for the whole 2010 season, without the restriction of the Junior Sailing Program session.

Please note that Junior Members may not bring guests to the Club.

If one of these options interests you for your child, please complete the enclosed temporary junior membership application form and return it to us as soon as possible. Please note that there is a modest fee to register as indicated on the form.

We thank you for your interest.
